Privacy Policy

This document informs you about what data we store and how we use it.
By using this service you agree to the Privacy Policy.

Log Data

As soon as you start the PolarLauncher, various websites and libraries are retrieved. During this process, so-called "log data" is stored. This log data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages you visit on our service, the time and date of your visit, the time spent on those pages, and other statistics.
On some of these sites we have no control over how this data is stored and processed, for more information about this please visit the respective privacy policy of the site.

PolarLauncher Data

PolarLauncher stores data such as settings, version numbers, installed mods, etc. Locally on your computer, these are not shared.

Permission Key's und Beta Keys

To verify if certain actions are allowed to be performed in PolarLauncher, we verify Key via our PolarLauncher server.

Security

The security of your Personal Information is important to us but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Links to Other Sites

Our Service may contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over, and assume no responsibility for the content, privacy policies or practices of any third-party sites or services.

Data transfer to the USA

Some tools from companies based in the USA are integrated in PolarLauncher. If these tools are active, your personal data may be passed on to the US servers of the respective companies.

We do not have any influence on these processing activities.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
